## Riverside County Regulations and Policies Governing Interdistrict Attendance Permits

1. In accordance with Sections 46600 to 46609 of the Education code, the school districts of Riverside County establish Interdistrict agreements annually which provide for the exchange of pupils.

2. The enrollment of pupils from districts, other than that of residence is not mandatory. If there is sufficient room in the district, school, and program of desired attendance, requests will be considered, provided the reasons are justifiable and in accordance with district governing board policy.

Interdistrict Attendance Permits to *leave* the district of residence may be granted for the following reasons:

- a. **Senior/Returning Student** – The district may permit those pupils who are in the highest grade of elementary, middle or senior high school permission to graduate from the school which they have attended just prior to their move to another district. Returning students are students who have attended the requested school during the 22-23 school year for a full year.
- b. **Specialized High School Program** – Availability of a **specialized high school program** in the district of desired attendance was not available in the district of residence. If the district of residence has a similar program, the student does not qualify under this category. *Note: One or two classes do not constitute a “program.”*
- c. **Planned Change of Residence** – Specific and written evidence must be given that a residence in the district of desired attendance is being obtained. Such permit should not be issued for longer than *three* months.
- d. **School District Employment** – Parent/legal guardian employed full-time by the school district of desired attendance. **Verification must be provided.**
- e. **Child Care** – These are to be initially granted only to **kindergarten through eighth grade** school age students, when it is impossible to arrange adequate childcare or supervision in the district of residence. **Verification must be provided.**
